Compatibility Mode for Internet Explorer Version 11

If you are having issues staying logged in or clicking certain buttons on the PIAA website, please follow the instructions below.

1. Open Internet Explorer (version 11). At the top right of the screen you will see a cog wheel 🔄 to the right of the favorites star. Click this cog and on the drop down menu, choose Compatibility View Settings.
2. In the new window that opens, type in “www.piaa.us” – the PIAA website, and click Add.

3. Once you have added PIAA to the Compatibility View list, close the window and you can now freely and easily browse the PIAA website.

4. If you have any problems or questions, please contact PIAA at techsupport@piaa.us.
